Application for Parish Membership

ABOUT PARISH MEMBERSHIP AND THIS APPLICATION FORM

The rules governing parish membership are set out in the Normal Parish By-Laws (“the By-Laws”) of the Russian Orthodox Church outside Russia. Paragraph 12 of the By-Laws stipulates that any person wishing to become a member of a parish must make a written application to the Parish Council. To simplify this process, our parish has developed an *Application for Parish Membership* form.

The form assists the Parish Council and both prospective and returning members by

- Using a simple standard format for the written application
- Providing clear and consistent advice about the obligations of a parish member
- Gathering information necessary for the Parish Council to properly consider the application

A person may become a member if they

- are an Orthodox Christian
- have reached the age of 18 years
- pay the established membership dues
- make their confession and take Holy Communion not less than once a year, and
- tend to the moral and economic welfare of the parish

The By-Laws make it clear that membership dues must be paid annually and that parish members must confess their sins and receive Holy Communion at least once a year.

Completion of the *Application for Parish Membership* form each year helps ensure that parish records are up-to-date and that personal details remain correct.

The annual membership fee is \$20.00. Membership is granted for a calendar year; that is, from January to December. New members gain the right to vote only after 6 months of membership. Those new members who transfer membership from another parish of the Russian Orthodox Church Outside Russia may vote immediately.

The By-Laws indicate that parish members may lose voting rights if they

- live in a marriage-like relationship without Church marriage
- are engaged in ignoble business, or
- are convicted of criminal offences

Parish membership may be lost if a parish member

- is found disloyal to the Russian Orthodox Church Outside Russia and to their parish;
- deliberately neglects Church rules and obstructs lawfully adopted resolutions of the parish meetings and the instructions of the Church Parish Council;
- has violated good order and decorum in the church
- is found to be engaged in some ignoble occupation.

Any concerns that individual members may have with regard to their voting rights or membership should be discussed with the parish priest.

The information that you provide on this form will not be released to anyone without your prior consent.
